

Junkfood for the Journey

September 2009 – April 2010

Dear Parent Volunteer,

We have discovered that with teenagers if you feed them... they will come! We started "Junkfood for the Journey" for teenagers on Wednesday nights before Extreme Life. It has been a great success and the number of students that attend have increased! Due to the business meeting suppers and Big Pizza Wednesdays, we only need additional food twice a month on most months. We have spread the work amongst three to four families to provide a junkfood feast for the students. Items that have been brought in the past were cheese dip and chips, corn dogs, chili, gumbo, tacos, cookies, etc. We are not going to tell you what to bring. We want you to be creative and do your own thing. The first person in each group is the coordinator. Decide what your group wants to serve and contact everyone. With everyone pitching in, the cost is kept down. The church will provide plates, napkins, cups, ice, and drinks.
