

Sunday Morning Live

September 2009 – February 2010

Dear Parent Volunteer,

At this stage in a student's life, they are ALWAYS hungry and slow to get up on Sunday mornings. Because of that we started *The Breakfast Club*. *The Breakfast Club* consists of providing juice or milk along with a few pastries (donuts, muffins, biscuits, etc.) for the youth group on Sunday mornings. We have put together a list of parent teams to help provide this breakfast. The first family of each team is asked to call and coordinate with the other team members what they will bring for Sunday. Please contact them team prior to your Sunday to serve breakfast. Each team should prepare to feed around 75 youth.
